### Perspective on Population Health

In a new video interview, Holly Oh, a pediatrician at The Dimock Center in Boston, looks back on a memorable patient encounter. A young male, complaining of cold symptoms on the day before Thanksgiving, reminded her that health care is only part of the conversation when discussing a patient's well-being and quality of life.

[Watch the video](#) and look out for the IHI Open School's newest course, PH 101: Introduction to Population Health, which will be released on July 23rd.

### Spotlight on Chapter Leaders

Each month, the IHI Open School highlights innovative Chapters in the Chapter Spotlight feature. In this installment, the IHI Open School sits down with Anne-Martine Storm van Leeuwen to discuss her journey as a Chapter Leader at UMC St. Radboud University in The Netherlands.

[Check out the newest Chapter Spotlight](#) to hear from Anne-Martine as she reflects back on the opportunities she's been given as a Chapter Leader and the lessons she's learned along the way.
