

## IHI Open School Continuing Education Credits

### GME 201: Why Engage Trainees in Quality and Safety?

In support of improving patient care, the Institute for Healthcare Improvement is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.

The Institute for Healthcare Improvement designates this internet enduring activity for a maximum of .5 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is approved to award .5 credit(s) toward Certified Professional in Patient Safety (CPPS) recertification.

This program has been approved by the National Association for Healthcare Quality for a maximum of .5 CPHQ continuing education credits for this event.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to:

- .5 Medical Knowledge MOC point(s) in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program
- .5 MOC point(s) in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program
- .5 point(s) in the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology<sup>™</sup> (MOCA<sup>®</sup>) program, known as MOCA 2.0<sup>®</sup>. (Please consult the ABA website, [www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements.)
- .5 point(s) in the American Board of Ophthalmology's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting MOC credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to satisfy the Lifelong Learning requirements for the American Board of Ophthalmology's Maintenance of Certification program.

Successful completion of this activity, which includes participation in the evaluation component, offers Lifelong Learning (MOC Part 2 CME) point(s) for the following boards:

- American Board of Anesthesiology (ABA)
- American Board of Allergy & Immunology (ABAI)
- American Board of Colon & Rectal Surgery (ABCRS)
- American Board of Pathology (ABPath)
- American Board of Psychiatry & Neurology (ABPN)
- American Board of Plastic Surgery (ABPS)
- American Board of Nuclear Medicine (ABNM)

- American Board of Thoracic Surgery (ABTS)
- American Board of Urology (ABU)

Successful completion of this activity, which includes participation in the evaluation component, offers Self-Assessment (MOC Part 2 SA) point(s) for the following boards:

- American Board of Family Medicine (ABFM) (15pts)\*
- American Board of Pediatrics (ABPed) (20pts)\*
- American Board of Ophthalmology (ABOP)
- American Board of Orthopedic Surgery (ABOS)
- American Board of Radiology (ABR)
- American Board of Physical Medicine and Rehabilitation (ABPMR)

\*ABPed and ABFM diplomates are required to complete all the selected courses within an activity to collect MOC activity points.

It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting MOC credit.
